Monday-Tuesday, March 16 & 17 TRANSFLO “Express Indexing” \$995.00

Whether you currently use Express Indexing or have been considering implementing this solution, come learn more about how this powerful low touch solution can work best for your business needs.

This one and a half day class will teach you how to optimize form identification to increase your read rate. Learn more about form generation and TeleForm Reader best practices. Get introduced to the newest version just released and discover new enhancements resulting in greater accuracy. Find out how to configure TRANSFLO Gateway to work together with your indexing solution and test your forms to create a highly accurate and fast content capture solution.

Monday-Tuesday, March 16 & 17 Advanced System Admin \$995.00
This fast paced, in-depth course will help you get the most out of your TRANSFLO investment!

The experts at Pegasus TransTech will show you how to optimize your system, based on our experience, support calls and industry knowledge. This one and a half day course is for anyone who has just converted to 4.0, a recently hired administrator, or anyone who needs a refresher course in using the Admin for TRANSFLO 4.0.

Registrations completed with payment prior to January 15, 2009 receive a 5% discount.
