The image shows a screenshot of the Surfsight web portal's signup page. At the top left is the Surfsight logo. Below it are several input fields: 'Email', 'Password', 'Confirm Password', 'Device Serial Number', and 'Organization'. Each field is represented by a white rectangular box with a thin border. Below the 'Organization' field is a checkbox with the text 'I have read and agreed to Surfsight's Privacy Policy and License Agreement'. At the bottom of the form is a red 'Signup' button and a smaller red 'Log In' button.

1. Open your internet browser and browse to surfsight.net
2. Click on the Login button and login if you already have a Surfsight account, then login to your account.
3. If you do not have a Surfsight account, you can create a new account for your dashcam, by clicking on the Signup page.
4. Enter a new account by entering the following:
 - A. Your email
 - B. A password
 - C. The device's IMEI number. The IMEI number can be found on the sticker on the camera itself or on the back side of the carton box which contained the camera.
 - D. A unique organization name to identify your organization.
5. Turn on your car's ignition switch
6. After about a minute you should see your dashcam's imei number in the list of devices with a green icon next to it indicating it is online.
7. Click on your dashcam in the web portal and choose Front and Rear camera video icons to view live video from your dashcam
